Let the road overtake

#WomenCrossingBoundaries

Some journeys bring adventure, while some happiness.

Some lead you to the destinations, while some are just about the path that leads you to them.

Some journeys are life-changing, while some are meant to simply set you free.

Well, here's the one that will set you free, like never before.

WIAA and Embarq bring to you an epic road-trip... the one that will make you cross international borders and also break the ones around you. And all of it with some awesome women like you!
